PETER A. MOORE, JR., CLERK
US DISTRICT COURT, EDNC
DEP CLK

Your Honor I need your help
good judgement, and understanding
I AM due to finish the RDAP program
and be released to the halfway house in September
of this year.

I am directly being effected by the Covid-19
Virus Pandemic

I have several family members working in the
medical field. I have several family members out of work
I have children out of school in need of extra meals

I have a fiancée out of work with bills to pay.

This Pandemic is not getting better real soon
The prison is on lockdown. The Rdap program is at
a stand still. Stopping my treatment, and pushing my
release date further away. for me to return to society,
and hindering me from being an asset to my family and
america, Healthy, and able to work

God only knows how long this will last, and God only
knows what's coming next for America and my family

Your Honor without this natural Disaster I was
going home in six months, I beg you. Please commute the
six month sentence you imposed on me to time served, or
commute the six month sentence you imposed on me to
home confinement, and let me go home get a job. Help
home school, and feed my family. Please, I can work in one
of the sectors still running in america (ie. walmart, supermarkets)
and/or utilize the trade training I gained in the BOP and
use a CDL.

My family and country need to fill the voids of lost
income, and I need to be there in the event one of my
family members contract Covid-19. There were four deaths
not far from my Phila home in NJ

Please follow the science and numbers of what's coming to
America, when you consider my humble request for your
mercy your Honor

Sincerely Paul Kushner
